Treasure Island

The rumours are true!

Before he left, Mr Ward had planned to put on a whole school drama production of 'Treasure Island'. The staff have bravely/ foolishly decided that the show will go on. Rehearsals are already under way. Room 3 and Room 2 students with speaking parts have been issued with scripts to learn over the holidays. Performance dates have not been set. There will be lots of opportunities for parents to help with preparation.

Watch this space!

Stationery Accounts / School Shirts

Stationery accounts are due by tomorrow. If you have not paid your account please send the money along asap.

We also still have some school shirts that have not been returned from cross country events. If you still have a shirt at home please send this along tomorrow.

Community Phone List

I am hoping to update the community phone list next term. If you know of anyone on the list who has left the district or you would like to be added to the list please contact the school.

Sausage Sizzle

P&F will be holding an end of term sausage sizzle at lunchtime tomorrow at school.

Sausages \$2, Juicies \$1 and Kindy kids are welcome from 11am.

Ring Lexie Carswell 8398805

Walkie Walkie

Are you interested in joining a local walking group? Can you host a walk on your property? The plan is to meet 10.30 each Tuesday of term four for a one hour "ramble" over various properties. No charge, no children, no dogs, no husbands. Call Sally on 8398903.

Exercise Classes

Hi All

Barbie, Lauren and I go to Marya's classes in town. She is really awesome and we have convinced her to come out to us so we can save time and money going into town. If anyone would like to talk to us or her about what she does you are welcome to call any of us. My phone number is 8398946. Obviously exercise is the main reason to come along but we always have a laugh as well, it is great to get together socially.

If you are really keen just get in touch with her ASAP.

Thanks heaps Sarah

2016 SUMMER HOCKEY

Year 1 & 2 - Fun Sticks

Fun Sticks - is a fun 6 week programme for Years 1 & 2 primary school children, introducing them to fundamental skills of hockey.

Year 3 - 8 Small sticks & Kiwi sticks

Fun 7 week competition involving 6 aside teams.

Start Date: Wednesday 26 October

Where: Park Island - Napier

Cost: \$35 per player

We can use the hockey sticks at school and will all be issued with a school shirt to play in.

This is a great way to get into hockey and learn the basics, its for all ages and the teams are unisex it would be great to see us make up a couple of Patoka School teams!

For any further information or to register your child please phone or email Julianne Carpenter 8398654

Hi I'm Dan Ross.

I am in the running for HBRC. I moved to Hawkes Bay when i was little and went to both Puketitiri and Patoka schools. Mr Shelldrake was my teacher at Patoka. I currently live in Crownthorpe. I am passionate about Hawkes Bay and the preservation of the area's resources. I take a real interest in our Community and its needs so I want to see further improvements in the amenities and the resources of the Hawkes bay region promoting a fair and robust consultative process. I am committed to working towards transparency in the Councils operations and seeing that it is more responsive to the core needs of our Community. I would like to ensure that the new Council and its members is governed by the Interest's of many, not a few. Together we can be a thriving region, which values superb environment both rural and coastal while building on our Unique Heritage. I am determined to work to ensure the Council is accountable to ratepayers by being a strong, clear and independent voice.
